RE: Gabriel Dalton

It is a pleasure to offer a reference for Gabriel. This is based on our shared work experience at St. Paul's Anglican Church, where I volunteer as Financial Assistant, and where Gabriel provided various administrative and technical tasks in the summer of 2024.

Gabriel is amazing! He is extremely proficient in the technical field, and also covered staff holidays with dedication and efficiency. He demonstrated an excellent work ethic (including punctuality) and good interpersonal skills. I hope we may have the opportunity to engage him again as specific projects come up.

Please feel free to contact me if you have any questions.

Sincerely,

Jack Wood
