

Gabriel Dalton

Founder, CEO, CTO, CSO, Advisor in Sustainability & Technology

I am a young leader in **sustainability, technology, and social impact**. Self-taught in coding since age 11, I founded Oasis of Change, Inc. at 15, building fast, energy-efficient websites that reduce digital energy consumption and help organizations grow. I have planted nearly **9,000 trees across 20 countries**, partnered with nonprofits, universities, and businesses, and supported tech workshops for seniors. I have also presented to audiences of **hundreds**, including the **TransLink Executive Team and Board of Directors**, advocating for smarter, sustainable digital practices.

📁 EXPERIENCE

Founder & President Oasis of Change, Inc.

07/2023 - Present

Directed a team of up to **15 people**, currently manage a **\$120K** Google Ads grant, and build partnerships with organizations including NordVPN. Have planted **9,000+** trees across **15** countries while advancing the mission of promoting digital sustainability. Helped non-profit organizations secure up to **\$815,400 per year** in in-kind technology grants (Google Workspace, Google Ad Grants, Microsoft for Nonprofits, and Canva).

Chief Executive Officer Web-Ready Technologies

06/2022 - Present

Build energy-efficient websites for businesses and non-profits. **Increased client traffic by 1,034% in one month** and **reduced website emission rates by 80%+**. Presented to **audiences of 250+**, including **TransLink's Executive Team and Board of Directors**, advocating for sustainable web design and smarter digital practices.

Digital Marketing, Generative Search Optimization (GEO) Plastic Bank

10/2025 - Present

Advancing Plastic Bank's visibility across search and generative AI platforms through strategic SEO, GEO, and AIO initiatives that strengthen brand recognition and accuracy in AI responses.

National Coach (Fellow) The Dais at Toronto Metropolitan University

03/2025 - Present

Serve as one of **3 selected coaches**, mentoring **20 Youth Champions across Canada** to promote responsible technology use.

Professional Photographer Unsplash

2021 - Present

Contributed photography to support global access to high-quality, royalty-free visuals. Work received **9.1M+ views** and **56,880+ downloads**, featured on platforms including **Figma, Typeform, Google Slides, Medium, Notion, and BuzzFeed**.

Website Advisor Stanley Park Ecology Society (SPES)

01/2024 - Present

(Pro Bono)

Working directly with the Executive Director to apply sustainable practices to **two SPES-owned websites**, enhancing performance and accessibility. **Planted 225+ trees across 4 countries** in alignment with organizational sustainability goals.

💡 SOFT SKILLS

Leadership & Strategic Planning

Collaboration & Mentoring

Adaptability & Creativity

Non-profit Management

Attention to Detail

Public Speaking

🧠 TECH SKILLS
